Financial Agreement

Let's clarify the financial aspects of your care so that we can direct all of our attention to balancing your body!

Outlined below is our financial agreement

Please let us know if you would like a copy of this agreement for your own reference

Insurance:
Insurance is a contract between you and your insurance company.

- You will need to pay your co insurance and or co- payments at the time of service.
- Failure to provide complete insurance information may result in patient responsibility for the entire bill.
- It is the insurance company that makes the final determination of your eligibility and benefits. If your insurance company is not contracted with us, you agree to pay any portion of the charges not covered by them.
- Dependent on your insurance company, some additional therapies (need determined by your DC) may **not** be covered such as **hydrotherapy, decompression therapy, traction therapy, ultrasound, electric stem, etc**. Final determination is based upon your insurance carrier
- It is the responsibility of the patient to verify with your insurance company if the provider(s) you are seeing are contracted with the insurance. **If your insurance company requires a referral and/or preauthorization, it is your responsibility to obtain and provide it to our office.** Failure to obtain the referral and/or pre authorization may result in denial from the insurance company, and the balance will be your responsibility.
- I am responsible for updating my health insurance information with the office any time the information changes, terminates, or new coverage begins. The office will submit my medical claims for me as per the terms of the contract with my insurance carrier.
- If you were injured on the job, in an auto accident or some other personal injury you may have other options.

Medicare: We are a participating provider with Medicare Part B. We agree to bill and accept contractual adjustments from Medicare. There may be services and supplies rendered in our office that are NOT covered by Medicare and therefore require an Advanced Beneficiary Notice (ABN) be signed by the patient/Guarantor. By signing the ABN, it is understood that you are financially responsible for payment of any services and/or supplies that are not deemed medically necessary by Medicare.

No Insurance Coverage: Payment is typically expected on the day that services are rendered. A fee reduction is applied to services **only** if paid in full at the time of service. Any "billed" services are subjected to a **$5** fee per service date. We accept cash, check or credit card. **Family Cash Plans** are also available.

Individual Consideration: If there is financial hardship associated with care in our office, please understand that we have never refused any client due to their financial situation. We will however come to some agreement for payment of services that both parties can agree on. This is set up on an individual basis.

Monthly Statements: If there is a personal patient balance on the account, we will send you a monthly statements. Patients are responsible for all charges resulting from treatment provided at Creekwood Chiropractic West Point. Payment is due within 30 days of receipt of this statement, unless other financial agreements have been made.

Questions on statements can be directed to **Karrie** at 402.371.0522

Past Due Accounts: I understand and agree that if my account is delinquent past 90 days without financial agreement, I may be turned over to the collection agency used by Creekwood Chiropractic and visits thereafter will need to be paid on a per visit basis or under an auto monthly agreement at the time of service without exception.

Upsets: We are here to serve you and your family. Please speak with one of the Doctors about anything that is upsetting you about our policies or service. We see your comments as helping us to help you as well as others and improve on your overall experience.

Referrals: We ask that you consider us for referrals for your friends and family! It is important to us to deliver the message of true health to the community and we ask for YOUR help in doing so. Your referrals are our greatest compliment and we thank you!
